A student seeking enrollment in the District for the first time must meet all academic, age, immunization, tuition and other eligibility prerequisites for admission as set forth in state law, Board policy and administrative regulations. Students and their parents should contact the office for admission requirements.

The District may deny regular school admission to a student who is expelled from another school district and who subsequently becomes a resident of the District or who applies for admission to the District as a non-resident student.

The District shall deny regular school admission to a student who is expelled from another school district for an offense that constitutes a violation of applicable state or federal weapons law and who subsequently becomes a resident of the District or who applies for admission to the District as a non-resident student.

Alternative educational services will not be provided to students expelled from another school district for violation of applicable state or federal weapons law and who subsequently becomes a resident of the District.

Such programs consist of instruction or instruction combined with counseling and may be public or private. Private programs must be registered with the Oregon State Department of Education. Home schooling shall not be used as an alternative education program placement.

The District will not provide alternative education programs for students expelled for violation of applicable state or federal weapons law.

ACADEMIC ELIGIBILITY POLICY FOR ATHLETIC/ACTIVITY PARTICIPATION SUMMARY

Activities are defined to include any club, class or student government entity where students may be excused from class to participate, (i.e. Student Council, Drama Club, Choir, Band, etc.).

SHS grading policy will be in the athletic clearance forms.

OSAA Ineligibility: A student who fails to pass five (5) subjects at the end of each semester grading period. They must pass 2 of the 3 J term classes. Student will remain ineligible for the duration of the semester.

A copy of the complete policy is available in the Athletic Director's Office.

ASSEMBLIES

A student's conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the District's Student Code of Conduct during an assembly shall be subject to disciplinary action.

ATTENDANCE

All students between the ages of 7 & 18, who have not completed grade 12, are required to attend school unless otherwise exempted by law. School staff will monitor and report violations of the state compulsory attendance law.

Any parent who fails to send a student to school within three (3) days of notification by the District that their student is not complying with compulsory attendance requirements may be issued a citation by the District for the student's failure to attend school. Violation is a Class C violation of law and is punishable by a court imposed fine by ORS 339.925.

The District will notify the parent in writing that, in accordance with law, the superintendent will schedule a conference with the non-attending student and his/her parent(s)/guardian(s) to discuss attendance requirements. The written notice will include the following:

1. The superintendent or the designee has the authority to enforce the provisions of the compulsory attendance laws;
2. Failure to send a student to school is a Class C violation;
3. A citation may be issued by the District in the amount to a \$150 fine as per board policy;
4. A conference with the parent and student is required.

The written notification will be in the native language of the parent.

Additionally, a parent or guardian, or other person lawfully charged with the care of custody of a student under 15 years of age, may be found by the courts to have committed the offense of failing to supervise a child who has failed to attend school as required.

Violations, as determined by the court, may be punishable by a requirement to complete a parent effectiveness program approved by the court and/or a fine of not more than \$600.

Students who fail to maintain regular enrollment in school may have either their driving privileges suspended or the right to apply for driving privileges suspended.

Absences and Excuses

Students must bring a note signed from the parent/guardian that describes the reason for their absence **on the day they return to school** or a parent must telephone the attendance office to excuse their child's absence. **Absences not excused in a timely manner will stay as unexcused absences.** Absence from school or class will be excused under the following circumstances:

- Illness of the student;
- Illness of an immediate family member when the student's presence at home is necessary;
- Emergency situations that require the student's absence;
- Field trips and school-approved activities;
- Medical/dental appointments;
- Other reasons deemed appropriate by the school administrator when satisfactory arrangements have been made in advance of the absence.
- Pre-arranged absence. Forms available in Main Office.

Students may be excused on a limited basis from a pre-planned classroom activity or from selected portions of the established curriculum on the basis of a disability or for personal, religious or ethnic considerations.

A student who leaves school during the day must bring a note from his/her parent or a parent must telephone the Attendance Office to excuse the student. A student who becomes ill during the school day should, with the teacher's permission, report to Attendance. The school nurse or secretary will decide whether or not the student should be sent home and will notify the student's parent as appropriate. Students who leave campus without checking out with Attendance will be subject to disciplinary action/suspension.

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements. **The student is responsible for making up work missed during an absence as scheduled by the teacher. Students with unexcused absences will not be allowed to make up work missed.** Parents should contact the Attendance Office to arrange for the collection of homework assignments for a student who will be absent more than three days. Please allow at least 1 day to get homework from teachers. Failure to make up assigned work within a reasonable amount of time as allowed by the teacher will result in a grade of zero for the assignment. Absenteeism will not be used as a sole criterion for the reduction of grades.

Attendance Eligibility for After School Events

In order for a student to be able to participate in an after-school event (this applies to spectators also) he/she must attend school all day on the day of the event, unless pre-arranged with the administration. Administrative decisions will be final.

Irregular Attendance/Truancy

Truancy is defined as a situation in which a student is absent from school or from any class without permission. This includes students who leave school grounds without a "permit to leave campus" form. Truancy or unexcused absences will be subject to disciplinary action including detention, suspension, expulsion, and ineligibility to participate in athletics or other activities and/or loss of driving privileges.

COUNSELING

The goal of Scappoose High School's counseling department is to provide support to every student to ensure their academic, career, and personal/social developments are being met. This is achieved through guidance curriculum (going into classrooms and teaching), individual planning with students (assisting student in the development of academic and career planning), responsive services (addressing student's immediate concerns), and systemic support and integration.

Personal counseling that addresses social/emotional issues is short-term, with an emphasis on outside referrals when appropriate.

Students are highly encouraged to visit with their counselor before school, after school, or during their lunch for drop-in counseling. Students and parents may call or drop by the counseling office to set-up an appointment.

Additional resources can be found on Scappoose High School's counseling website at www.scappoosehighschoolcounseling.weebly.com

CREDIT RECOVERY/ON TRACK

If a student does not pass a required graduation course, the student will be required to retake the same course at a later time or recover the credit in another way. A limited number of credit recovery spots are offered during the school day in ON TRACK. ON TRACK is only for recovering a failed class; students may not take ON TRACK for original credit. Credit may also be recovered outside the regular school program, at the student's experience, if the recovery plan has been approved by administration.

CYBERBULLYING

The District prohibits any form of harassment, including harassment through electronic means, which is known as cyber bullying. A student may be subject to discipline, up to and including expulsion, for a violation. A student may also be referred to law enforcement for a violation.

DANCES

Most dances will be held in the cafeteria. As a general rule they will end promptly at 11:00 p.m. Organizations that sponsor dances should always assume the complete responsibility of the dance from start to finish. The staging of a well-organized dance is good assurance of being awarded additional dates for more dances when the opportunity presents itself.

Any Scappoose High School student body member desiring to attend the dance with someone not a member of the student body must obtain a visitor's dance pass from the attendance office. The student body member is then responsible for the conduct of the guest. **GUESTS MUST BE APPROVED BY THE ADMINISTRATION IN ADVANCE. ONLY ONE GUEST PER STUDENT IS ALLOWED.** Graduates of Scappoose High School are permitted to attend the homecoming dance and must abide by all school rules.

DAMAGE TO DISTRICT PROPERTY

A student who is found to have damaged District property will be held responsible for the reasonable cost of repairing or replacing that property. The District will notify the student and parent of all such charges. If the amount due is not paid within 10 calendar days of receipt of the **District's notice**, the amount will become a debt owed and the student's grade reports, diploma and records may be withheld.

DISCIPLINE/DUE PROCESS

A student who violates the Student Code of Conduct shall be subject to disciplinary action.

A student's due process rights will be observed in all such instances, including the right to appeal the discipline decisions of staff and administrators.

The District's disciplinary options include using one or more discipline management techniques including counseling by teachers, counselors and administrators, detention, suspension, expulsion, loss of driving privileges and loss of right to apply for driving privileges, honors, loss of privileges, awards, and removal to an alternative education program.

Disciplinary measures are applied depending on the nature of the offense. The age and past pattern of behavior of a student will be considered prior to any suspension or expulsion.

In addition, when a student commits substance abuse, drug or drug paraphernalia, alcohol and/or tobacco-related offenses or any other criminal act, he/she may also be referred to law enforcement officials. Violations of the District's weapons policy, as required by law shall be reported to law enforcement.

Detention/Saturday School/ISS

A student may be detained outside of school hours by a student's teacher for failure to comply with classroom rules and the Student Code of Conduct. Students may also be assigned Saturday School and/or In School Suspension by an administrator for failure to comply with school rules and guidelines.

Student's who do not serve a Saturday School as assigned may be subject to suspension or In-School Suspension (ISS).

Suspension

A student may be suspended from school for up to and including ten (10) school days for willful violations of the Student Code of Conduct. The District may require a student to attend school during non-school hours as an alternative to suspension.

An opportunity for the student to present his/her view of the alleged misconduct will be given. Each suspension will include a specification of the reasons for the suspension, the length of the suspension, a plan for readmission and an opportunity to appeal the decision. Every reasonable and prompt effort will be made to notify the parents of a suspended student.

While under suspension, a student may not attend after school activities and athletic events, be present on District property or participate in activities directed or sponsored by the District.

Schoolwork missed by a student while on suspension may be made up upon the student's return to school if the work missed reflects achievement over a greater period of time than the length of the suspension. For example, a student will be allowed to make up final mid-term and unit examinations without an academic penalty.

Expulsion

A student may be expelled for severe or repeated violations of the Student Code of Conduct. No student may be expelled without a hearing unless the student's parent or the student, if 18 years of age, waives the right to a hearing, either in writing or by failure to appear at a scheduled hearing. *An expulsion shall not extend beyond one (1) calendar year.*

The District will provide appropriate expulsion notification including expulsion hearing procedures, student and parent rights and alternative education provisions as required by law. See alternative education programs and alternative education notice in the handbook.

Discipline of students who are being serviced by an IEP

A student being served by an Individualized Education Program (IEP) who engages in conduct which would warrant suspension for a non-disabled student may be suspended for up to and including 10 consecutive school days for violations of the Student Code of Conduct.

When a student that is on an IEP is suspended more than 10 consecutive school days or for more than 10 cumulative school days during a school year or is being expelled, the student's parents will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student's IEP team meeting addressing the infraction and its relationship to the disability.

The IEP team will determine whether the misconduct is a manifestation of the student's disability. Should the IEP team conclude the misconduct has no relationship to the student's disability; the student may be disciplined in the same manner, as would other students.

If the IEP team concludes the misconduct is a consequence of the student's disability, the team may recommend alternative placement for the student. The District may not expel a disabled student or terminate educational services for any behavior, which is a consequence of the disability.

If the District determines that the student's behavior, which is related to his/her disability, poses imminent danger to others and the parent refuses to agree to a change of placement, the District may suspend the student for up to 10 consecutive school days or 10 cumulative school days, to provide a general planning and "cooling off" period. At the end of the 10-day period the student shall be allowed to stay in his/her current school placement unless the District has obtained a hearings officer or court order to change the student's placement.

The Administration reserves the right to determine discipline consequences based on circumstances the needs of the individual student.

DRESS AND GROOMING

The responsibility for the dress and grooming of a student rests primarily with the student and his or her parents or guardians.

Attire or grooming which has as an intent on the advertising or promotion of anything illegal or immoral or shows disrespect towards the flag or law, such as violence, criminal activity, use of alcohol or drugs, pornography, or hate speech are prohibited.

A student's attire or grooming should not be grounds for exclusion from his or her participation in school classes, programs or school related activities. Standards may be established by school authorities as a requirement for participation in the schools activity programs. If, however, the attire or grooming of a student poses a threat to the health or safety of any other person, the appropriate solution as stated in the attached policy will be followed.

School directed changes to the student's attire or grooming should be the least restrictive and disruptive to the student's school day. Any school dress code enforcement actions should minimize the potential loss of educational time. Administration and enforcement of the dress code shall be gender neutral and consistent with all Scappoose High School students.

The School Administration will review dress and grooming guidelines and examples of appropriate wear with students each academic year.

Such decisions will not be based on non-attendance due to religious reasons, a student's disability or an excused absence, as determined by District policy.

At the beginning of each school year or course, teachers will inform students and parents how attendance and class participation are related to the instructional goals of the subject or course.

Due process will be provided to any student whose grade is reduced or credit denied for attendance rather than for academic reasons.

Communication with parents will be consistent with district policy and with the level of school response determined necessary by school and law enforcements.

TRAFFIC SAFETY (DRIVERS EDUCATION)

Traffic safety is provided at a cost to all eligible resident students (and non-resident students upon application to the District and as resources permit.) Instruction is divided into three components, in-class, behind-the-wheel instruction and observation. In-class time consists of 30 hours. Behind-the-wheel instruction consists of six hours of practice driving. The third component consists of six hours of observation. An entry shall be made on the permanent record of each student who completes the course, including dates the course was taken and the final grade achieved. The Board has established a tuition rate. No resident student will be denied enrollment based solely on the ability to pay tuition. These classes are offered outside the regular school schedule. Eligible students should contact the Main Office for more info.

VEHICLES ON CAMPUS

Vehicles parked on District property are under the jurisdiction of the District. The District requires that before parking privileges are granted the student must show that he/she holds a valid driver's license, the vehicle is currently registered and that the student driving the vehicle is insured under a motor vehicle liability insurance policy or that the student or vehicle owner has provided the Motor Vehicles Division with other satisfactory proof of compliance with the financial responsibility requirements of the state.

In applying for a parking permit students will be notified that parking on District property is a privilege and not a right. Students will be notified that as a condition of parking on District property, District officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule and/or procedure violation.

Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked. Students under the age of 16 must wear a helmet as required by law. The District assumes no responsibility or liability for loss or damage to vehicles or bicycles.

Student Parking

Student vehicles are to be parked only in the upper parking lot at the West End of school. Student vehicles are not allowed to be parked in the faculty area (that area east of the school between the shop and main building), in front of school, or in the bus turnaround area. These areas are reserved for school personnel and visitors. Any student whose vehicle is found to be parked in one of these areas is subject to disciplinary action, which may include suspension. All vehicles must be parked within the lines of a designated parking spot. **There is no parking for students or staff along the curb on High School Way.**

VISITORS

Students will not be permitted to bring visitors to school. To ensure the safety and welfare of students, that schoolwork is not disrupted and that visitors are properly directed to the areas in which they are interested, all visitors must report to the Main Office upon entering school property. The administration will approve requests to visit as appropriate.

WITHDRAWAL FROM A CLASS

Students withdrawing from a class after the second week of the semester will receive a letter grade of "F". Please see a school counselor before deciding to drop a class.

Parents can access to their student's grades and attendance at Scappoose High School via the internet. Parents need to contact the Main Office for a personal access code.

The administration of SHS reserves the right to alter or change rules or regulations governing SHS. Such changes will be with School Board approval and announced to students and parents via email and student announcements. Once done so, they will be deemed published.
