September 6 for ALL grades **8:30 -3:25**

Beginning Monday, September 11, Mondays will be a late start **9:30 -3:25**

Bus Information:

For bussing questions, please call Durham at 503-543-3043

Student ID cards:

You must use your ID card in the cafeteria to access your Mealtime Account, check out library books, and to attend athletic/activity events. Your card will arrive in September so please memorize your student ID number.

Mealtime Account: Each student has an account set up. You must apply funds (cash/checks) directly to the cafeteria (not the main office) or you can go to the website link on the school district webpage. www.scappoose.k12.or.us

Free/ reduced lunch program: You must apply or reapply each year. Applications are available at each school as well as the district office or you may apply on line using the link on the district webpage under lunch programs.

Student Absences: The direct line to attendance is 971-200-8052. Leave a message or email Tina first thing in the morning tgift@scappoose.k12.or.us . For students that need to leave due to appointments, please bring a note, call, or email first thing in the morning or even earlier so that Tina may create an early dismissal slip for the student to present to his/her teacher. This will eliminate interruptions in the classroom setting.

Locker information: If you did not get a locker during registration, please see Tina in the main office before or after a class (not during teaching time). You are not required to have a locker, but be aware that you will have to carry all your books and supplies with you. Storing belongings in your car is strongly discouraged. You may share a locker but locker partners are equally responsible for the locker, the contents, and the confidentiality of the combination.

Registration fees and prior years' fees: Student Body fee is \$55 per year. All prior balances will appear on your statement. Fees may be paid in the main office with Jami, lead secretary. Currently we only accept cash and checks.

Yearbooks: These are an optional purchase and cost \$65 until January 1, 2018 and then the price increases to \$75 and must be purchased by April 1, 2018. Currently, our yearbooks are available the fall following the current school year.

Athletics: All high school athletic schedules can be found at <https://www.rankonesport.com/content/>
To participate in any athletics, students must have a current physical (good for two years) and a completed athletic clearance form turned into the athletic office before trying out, practicing or participating in any sport. OSAA requires all student athletes to be attending and passing five of six classes to be eligible to participate. The athletic fee of \$175 must be paid before your first athletic contest.

High School Boosters: to volunteer and support, please contact Nick Teeter at nick.teeter@momentive.com.

Counseling Office:

What do I do if I have an incomplete schedule?

Visit the counseling office on the first of class DURING the period in which you have a “hole” in your schedule. Only those students will be allowed in the counseling office at that time.

What is the policy on student schedule change?

It is the goal of the counseling department to provide each student with an acceptable schedule each semester. It is imperative for students to take great care in selecting classes and alternatives during the forecasting process. If a scheduling error has been made, the counselor should be notified as soon as possible.

The following are reasons for an automatic schedule change:

1. A scheduling error was made and student was placed in an incorrect class (example: placed in Geometry but should be in Algebra).
2. Student is missing a core graduation requirement
3. Student failed a class and has not yet recovered the credit
4. Student was placed in a class they did not forecast for

What is the deadline for requesting a schedule change?

Schedule changes for the above reasons must be made during the first two weeks of the semester. Be advised: students must be enrolled in and passing five classes each semester for OSAA participation in Athletics/Activities.

How can I view my student's school information (grades, attendance, etc.)?

You will be given an activation code to access Synergy.
