

SCAPPOOSE HIGH SCHOOL
Academic Eligibility

Athletic / Activity Probation

A student not passing 1 of 5** classes is placed on Athletic / Activity Probation for a period of six (6) weeks. The student will be allowed to practice, participate, and/or compete during their probationary period.

At the end of the probationary period, the student must be passing ALL classes to be eligible. If the student is failing ANY classes, the student is declared ineligible for the remainder of that grading period.

OR

After being either SHS or OSAA ineligible the student is now passing all classes and now must serve a 6 week probationary period. The student will be allowed to practice, participate, and/or compete during their probationary period. After the Probationary period if the student is failing ANY classes, the student is declared SHS Ineligible for the remainder of that grading period.

S.H.S. Ineligibility

A student failing one class** (after being on probation or SHS Ineligible), is ineligible to participate in any Activity/Athletics until the either the next trimester or 6 week grade check. If at that time the student has failed a class he/she will remain ineligible for the remainder of the grading period. If the student is passing all classes, they will be allowed to participate but will serve a probation period of 6 weeks.

OSAA Academic Ineligibility

A student not passing 4 classes** and/or due to not making satisfactory progress toward graduation requirements is OSAA ineligible and cannot participate in any Activity/Athletic events until the end of the trimester.

** (I) Incompletes count as an (F) Failing until made up.

If at the end of the trimester the student is passing all classes and/or making satisfactory progress toward graduation requirements, the student will be allowed to participate the following trimester. However, they must maintain passing grades while serving a probationary period of 6 weeks in order to continue to participate after that time. If they are failing classes they will continue to be either S.H.S. ineligible or OSAA ineligible.

OSAA Rule: An eligible student must be enrolled full time and making satisfactory progress towards graduation as defined in this rule.

Definition of "full time enrollment." A full time student is one who is enrolled in high school, attending regularly and passing in courses offered by the high school, college, work experiences or other school-approved educational activities (including summer school or night school) equivalent to at least the quantity of 4 out of 5 classes. In addition, a full time student shall have been enrolled in school, attended regularly and passed subjects equivalent to at least the quantity of 4 out of 5 classes during the immediate preceding transcribed grading period.
