Winterball is at The Olde School in St. Helens on **December 10** 8-11pm. Tickets are on sale for \$10 this week at lunch and \$15 at the door. Guest passes must be in and preapproved by Thursday at noon.

Parents, Students and Community Members,

Winter Ball and other school events can be the source of many great memories. They can also, unfortunately, be associated with an increased level of unsafe behavior, including the use of alcohol. In an effort to assist our students in making good choices, those students wishing to attend our upcoming Winter Ball will be asked to use a breathalyzer. Students refusing to do so will not be allowed to attend the event and their parent(s) will be contacted. Students who are suspected of being under the influence will be required to have a parent come and pick them up. In the event that someone is found to have used alcohol or illegal substances or is in possession of an illegal substance, the expectations in the Student Handbook and Board policy will be followed. .

We are attempting to make sure that all students are aware that the breathalyzer will be in use at Winter Ball. We are raising the level of awareness by sending this e-mail as well as discussing the use of the breathalyzer at Winter Ball. Our goal is not to catch students doing something wrong but rather to help them make safe and appropriate choices.

We are looking forward to a safe and enjoyable evening for all.

Sincerely,

Scappoose Administrative Team

SHS Choral department presents our Annual Winter Holiday Concert Tuesday, **Dec 13** at 7pm in the HS auditorium. All choirs will be featured, and arrive early as this concert usually fills every seat!
